

CURRICULUM VITAE

Name: Alfred Lawrence Ochs, Ph.D.

Birth: Allentown, PA

Citizenship: U.S.A.

Spouse: Bienvenida A. Ochs

Home Address: 3320 East Broad Street
Richmond, VA 23223

Telephone: (804) 644-5311

Title: President

Organization: ALBA Systems
2819 E. Broad St
Richmond, VA 23223

Telephone: (804) 644-5311

Mobile: (804) 502-7331

Fax: (804) 918-0276

E-mail: ALBAsystems@vcu.org

Title: Consultant in Neurology

Organization: Neurology Service (127)
McGuire Veterans Medical Center
Richmond, Virginia 23249

Telephone: (804) 675-5000 ext 3751

Title: Associate Professor Graduate Faculty (affiliate)

Organization: Biomedical Engineering Program
School of Engineering
Virginia Commonwealth University
Richmond, Virginia

Education:

- 1969 Ph.D. (Molecular Biology)
Washington University
St. Louis, Missouri
- 1963 B.S. (Physics)
University of Maryland
College Park, Maryland

Postdoctoral Training:

- 1977-1978 Senior Fellow in Neurology
(With Michael J. Aminoff, M.D.)
Neurology Department
University of California
San Francisco, California
- 1974-1977 Fellow in Neuro-Ophthalmology
(With William Hoyt M.D. & Lawrence Stark, M.D.)
Neuro-Ophthalmology Unit
University of California
San Francisco, California
- 1970-1971 Postdoctoral Fellow
(With Jose del Castillo, M.D.)
Laboratory of Neurobiology
University of Puerto Rico
San Juan, Puerto Rico

Postgraduate Courses:

- 1971 PDP-12 Assembly Language
Digital Equipment Company, Maynard, Massachusetts
- 1977 Digital Image Processing
University of Southern California
Los Angeles, California
- 1984 Dizziness Update
University of Toronto, Canada
- 1986 Pathfinder Programming & Topographical Mapping
Nicolet Biomedical Instruments, Madison, Wisconsin
- 1986 Dizziness Update
University of Toronto, Canada

Postgraduate Courses (cont.)

- 1994 Dizziness and Imbalance, 15th Annual Neuro-Audiology Seminar
St. Joseph's Hospital, Savannah, Georgia
- 1994 Otolaryngology/Neuro-Otology Update for the Practitioner
Eastern Virginia Medical School, Norfolk VA
- 1998 Properties of Soil
Washington Area Consortium of Engineering Laboratories (WACEL)
- 1998 Nuclear Moisture/Density Gauge Safety
Ochs Technical Services
- 2001 Radiation Safety (BIOC 510)
Medical College of Virginia, Virginia Commonwealth University
- 2001 Nuclear Moisture/Density Gauge Safety
Virginia Department of Transportation

Occupational History:

- 1992- President
ALBA Systems
(Neurophysiological systems development consulting)
DBA: Ochs Technical Services
(an industrial nuclear safety consulting and training firm)
- 1979- Consultant in Neurology
Neurology Service
McGuire Veterans Hospital
Richmond, Virginia
- 1993- Associate Professor Graduate Faculty (affiliate)
Biomedical Engineering Program
School of Engineering
Virginia Commonwealth University
Richmond, Virginia
- 1998-1999 Associate Clinical Professor
Department of Psychiatry
Medical College of Virginia
Richmond, Virginia
- 1992-1993 Associate Professor
Biomedical Engineering Program
School of Engineering
Virginia Commonwealth University

- 1987-1992 Associate Professor
Neuro-Ophthalmology Division
Department of Neurology
Medical College of Virginia
Richmond, Virginia
- 1987-1992 Associate Professor (affiliate)
Biomedical Engineering Program
Virginia Commonwealth University
Richmond, Virginia
- 1984-1987 Assistant Professor (affiliate)
Biomedical Engineering Program
Virginia Commonwealth University
Richmond, Virginia
- 1978-1987 Assistant Professor
Neuro-Ophthalmology Division
Department of Neurology
Medical College of Virginia
Richmond, Virginia
- 1978
(summer) Consultant
Space Sickness & Visual-Vestibular Interaction Program
Biomedical Research Division
National Aeronautics and Space Administration
Moffett Field, Sunnyvale, California
- 1973-1976 Visiting Research Associate
Department of Electrical Engineering & Computer Science
University of California
Berkeley, California
- 1971-1972 Research Associate
Laboratory of Neurobiology
University of Puerto Rico
San Juan, Puerto Rico
- 1969-1970 Research Instructor
Department of Pharmacology
Washington University
St. Louis, Missouri
- 1968-1969 Instructor in Biology (half time)
Department of Biology
Washington University
St. Louis, Missouri

- 1964-1969 Graduate Student in Molecular Biology
Department of Biology
Washington University
St. Louis, Missouri
- 1963-1964 Physicist
Laboratory of Neurophysiology, NINDB
National Institutes of Health
Bethesda, Maryland
- 1960-1962 Electronics Technician
(summers) Laboratory of Neurophysiology, NINDB
National Institutes of Health
Bethesda, Maryland
- 1959-1963 Undergraduate Student
Department of Physics
University of Maryland
College Park, Maryland

Honors:

- 1986 Elected to The Honor Society of Phi Kappa Phi
Virginia Commonwealth University
- 1970 Fulbright-Hays Fellow
Department of Health, Education & Welfare
- 1969 Honored Graduate Student
American Oil Chemists Society

Awards:

- 1966-1969 Training Grant in Molecular Biology
National Institutes of Health
- 1970-1971 Postdoctoral Fellowship
National Institutes of Health (NINDS)
- 1975-1977 National Research Service Award
National Institutes of Health (NEI)
- 1986-1987 Wayne C. Hall Research Award
Phi Kappa Phi
